CPS Hobby Farm Pellet

A highly palatable pellet for a range of livestock

CPS Hobby Farm Pellet is suitable for feeding as a supplementary feed to a range of animals, including pigs, poultry, sheep and cattle; rabbits and guinea pigs, however may not meet every animals nutritional requirements.

CPS Hobby Farm Pellet is manufactured from a selection of cereal grains, legumes and protein meals and palatable co-products selected for their palatability and nutritive value.

CPS Hobby Farm Pellet contains a balanced vitamin and mineral premix, including organic trace minerals, which are recognised to improve animal health and performance. This product does not contain added copper.

Feeding rates will vary depending on other available feeds, animal bodyweight and condition. For cattle and sheep feed up to 0.5% of the animals body weight.

This product is a supplement and NOT a complete feed.

Always introduce **CPS Hobby Farm Pellet** gradually, and feed in conjunction with clean, fresh water and a suitable source of fibre.

Calculated Analysis (per Kg)¹

ME Ruminant:	12.0 MJ/kg
